

WALL MOUNTED LED 3HR EMERGENCY

Prolight Design offers bespoke lighting solutions for some of the UK's largest retailers. From conceptual design to installation and beyond, we cover every element of retail lighting under one roof.

The MF100 range has been extended to provide increased power in emergency applications by the in house design of a multi LED light engine that provides 485 lumens in mains operation and 190 lumens when the mains fails. The luminaire is black as standard, but can be powder coated to match most exteriors, mullions, brickwork and painted exterior walls.
